Storm Tracking and Decision Assistance Tool For Government Emergency Managers

The Baldwin County Emergency Management Agency will host training for the latest HURREVAC software. Administered by the US Army Corps of Engineers, this decision-support tool is used by emergency managers to gather the information they need to assist with their evacuation decisions.

August 18rd. 2014

Monday
8:30a.m.– 4:30p.m.

Location

Baldwin County EMA
23100 McAuliffe Drive
Robertsdale, AL 36567
