RE: 2016 Rural County Summit

The 2016 Rural County Summit will feature some of the most traumatic and overwhelming events that have occurred in US History, each receiving worldwide and national attention.

The presenters you will hear during the 3-day Summit were tasked with some of the toughest missions, forcing them to be prepared for the gravity of their decisions and facing the scrutiny of the world. They will discuss the creativity in dealing with their judgment calls all the while the whole world was watching with an ever critical eye, demonstrating true leadership.

This year I will ask you to look deep within yourself to come with an open mind and heart to hear these leaders recount their stories. On Tuesday night, there will be an event where the Mother Emanuel Church will discuss the relationship between the church community and law enforcement.

We are anticipating that the Summit will fill up quickly. It will be on a first come, first serve basis, with preference being given to Law Enforcement Command Staff.

We look forward to seeing you in April. If you have any questions, please feel free to contact me at 850-519-4295 or via email at shawnw@tds.net.
